

## Manifesto of Faith Watch Party Sample Follow-Up Email

Dear X,

Thanks for attending our Watch Party for “Manifesto of Faith: The Movie.” I hope you were as inspired as I was when I first saw the film.

Coming together as a Catholic community and watching a beautiful film is a great experience. However, unless it has a lasting impact on your life, it amounts little more than going to a movie theater to watch the latest blockbuster hit.

Each of us must decide how we will answer “The Call” that was presented in the film. Ask God for the gift of wisdom to confirm how he is personally calling you to be an evangelist in this time of confusion. Then visit the “[Answer the Call](#)” page on the Manifesto of Faith website.

Thanks again for attending the event and may God richly bless you in the coming days.

Blessing,
